

supplement with the change into interstate commerce.

“(C) DISCONTINUED DIETARY SUPPLEMENTS.—If the responsible person has discontinued the commercial marketing of a dietary supplement formulation included in a listing submitted by the responsible person under subparagraph (A) or (B), the responsible person shall report to the Secretary the date of such discontinuance, within 90 days of the discontinuance of the dietary supplement.

“(5) SUPPLIER INFORMATION RECORD KEEPING REQUIREMENT.—Each responsible person subject to the requirements of this subsection shall maintain a record of the full business name and address from which the responsible person receives any dietary ingredient or combination of dietary ingredients that the responsible person uses in the manufacture of the dietary supplement, or, if applicable, from which the responsible person receives the dietary supplement. The responsible person shall make this information available to the Secretary within 72 hours of request from the Secretary.

“(c) ELECTRONIC DATABASE.—Beginning not later than 2 years after the Secretary specifies a unique dietary supplement identifier system pursuant to subsection (b)(3), the Secretary shall maintain an electronic database that—

“(1) is publicly accessible;

“(2) is populated with information regarding dietary supplements that is provided under this section or any other provision of this Act; and

“(3) enables the public to search the database by a dietary supplement's unique dietary supplement identifier or other field of information or combination of fields.

“(d) AUTHORIZATION OF APPROPRIATIONS.—For purposes of conducting activities under this section and hiring personnel to carry out this section, there are authorized to be appropriated \$4,000,000 for fiscal year 2022 and \$1,000,000 for each of fiscal years 2023 through 2026.”.

(b) MISBRANDING.—Section 403 of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 343) is amended by adding at the end the following:

“(z) If it is a dietary supplement for which a responsible person is required to file a listing under section 403D and such responsible person has not made a listing with respect to such dietary supplement.”.

(c) NEW PROHIBITED ACT.—Section 301 of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 331) is amended by adding at the end the following:

“(fff) The introduction or delivery for introduction into interstate commerce of a dietary supplement that has been prepared, packed, or held using the assistance of, or at the direction of, a person debarred under section 306.”.

(d) RULE OF CONSTRUCTION.—Nothing in the amendments made by subsections (a) through subsection (c) shall be construed to expand the existing authorities of the Food and Drug Administration, other than as specified in such amendments. This subsection shall not be construed to—

(1) limit the existing authorities of the Food and Drug Administration; or

(2) limit the authorities specified in the amendments made by subsections (a) through subsection (c).

SUBMITTED RESOLUTIONS

SENATE RESOLUTION 595—DESIGNATING THE WEEK OF APRIL 18 THROUGH APRIL 24, 2022, AS “NATIONAL OSTEOPATHIC MEDICINE WEEK”

Mr. MANCHIN (for himself, Mr. WICKER, Mr. CASEY, Mrs. CAPITO, Mr. HEINRICH, and Mr. GRASSLEY) submitted the following resolution; which was considered and agreed to:

S. RES. 595

Whereas there are more than 134,000 osteopathic physicians and 33,800 osteopathic medical students in the United States;

Whereas osteopathic physicians and medical students train at high-caliber schools of osteopathic medicine across the United States, including in rural communities;

Whereas osteopathic physicians have made significant contributions to the United States healthcare system since the founding of the field of osteopathic medicine;

Whereas osteopathic medicine emphasizes a patient-centered approach to healthcare, and osteopathic physicians play an important role in the United States healthcare system;

Whereas osteopathic physicians have been critical in the fight against the coronavirus 2019 pandemic and have worked on the front lines treating patients;

Whereas osteopathic physicians practice in all specialty areas and practice settings of medicine;

Whereas osteopathic physicians and medical students in the United States are dedicated to improving the health of their communities through efforts to increase education and awareness and by delivering high-quality health services; and

Whereas osteopathic physicians currently practice in every State: Now, therefore, be it Resolved, That the Senate—

(1) designates the week of April 18 through April 24, 2022, as “National Osteopathic Medicine Week”;

(2) recognizes the contributions of osteopathic physicians to the United States healthcare system; and

(3) celebrates the role that schools of osteopathic medicine play in training the next generation of osteopathic physicians.
